Attention Mr. Michael B. Ayres
Enforcement Section
Division of Solid Waste

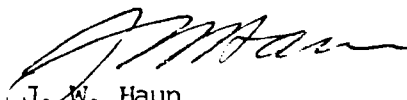

Gentlemen:

This is notification to you that, in accordance with your request, General Mills, Inc. has retained Barr Engineering Company for engineering and hydrogeological consulting work in connection with the waste site at 2710 E. Hennepin Avenue in Minneapolis, effective September 9, 1981.

It is our intent to, in consultation with Barr and Henkel Corp., develop a Work Plan for the site for review with your Agency at the end of September 1981.

Very truly yours,

GENERAL MILLS, INC.

J. W. Haun
Vice President
